

TRANSPARENT HYDRAULIC TRAINER

ED-7964

- Convenient parts fixation by 'one-touch lever' bases and aluminum profile structure
- Efficient space utilization by mounting parts horizontally/vertically
- 41 transparent hydraulic and electrical/electronic parts plus various optional components.
- Various hydraulic devices and components for Flexible Manufacturing System

> CONFIGURATION

- Common Equipment & Component Requirements
- Components of Hydraulics Transparency Module Set(THT-7964)
 - » Essential Components(THT-7964-1)
 - » Additionally Recommended Components(THT-7964-2) [OPTION 1]
- Components of Electro Hydraulics Transparency Module Set (THT-7965)
 - » Essential Components(THT-7965-1)
 - » Additionally Recommended Components(THT-7965-2) [OPTION 2]
- Experimental Support Teaching Materials [OPTION 3]
- Others [OPTION 4]
